**Introduction-**

Viksit Bharat 2047- a vision of our Honourable Prime Minister Mr. Narendra Modi, to make India a developed country by 2047, when India will celebrate its 100<sup>th</sup> year of Independence.

This is the period in the history of India when the country is going to take a quantum leap.

Viksit Bharat 2047 is not just a slogan, but a Sankalp that resonates with the people of India, especially the youth, who aspire for a better future for themselves and the country.

Atmanirbhar Bharat, Swachh Bharat, Start Up India, Stand up India and in continuous series of progress to transform India into a developed Economy, Now Viksit Bharat @2047.

“Idea Starts with an “I” Just like India’ begins with an “I” development efforts begin form self.

## **Journey Ahaed -Viksit Bharat @2047-**

We have our freedom struggle as huge inspiration when national efforts got concentrated to one goal- “Independence” The exam date has been declared for us as citizens of the country. We have 25 years of Amrit Kaal in front of us.

Today, the aim of your goals, your resolutions should be only one-Developed India - As India stands at this crucial place, to take off on its growth trajectory it is of utmost importance to realise that tremendous aspiration, and faith in India” s destiny. There is need of special expertise, tremendous dedication in the mission to make India a Viksit Bharat.

As the citizens of this country We must create the future, the destiny by channelising the innovative ideas of our Indian Youths into the building of the nation by inviting them to creative ideation, innovation and and take a lead to contribute to the vision of Viksit Bharat by 2047. This outreach initiative provides that opportunity to lakhs of youth across India.

## **Transformation of India in to Developed Nation-**

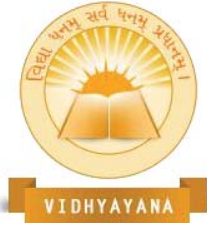

Transformation of India in to developed Nation by 2047 encompasses a prosperous Bharat in harmony with nature with modern Infrastructure, providing the opportunities for all citizens, economic growth, environmental sustainability, social progress, Good governance.

How to make Viksit Bharat @2047 possible-

For this to happen, there is need to chalk out a bold, ambitious and transformative agenda. Business as usual will not do. We must create the future.

## **Viksit Bharat looks like in 2047-**

Education has always been considered as the backbone of any successful society. It plays a crucial role in shaping the future of an individual, a community, a country, and even the

world. In the present context education can be the key to transforming the country in to a great nation.

### **Your Role in Viksit Bharat& 2047-**

The role of educational institutions in the personality development of an individual and a nation becomes developed only with the development of its people. “Youth power is both the agent of change and also the beneficiaries of change” Your role is extremely important, Differentiated Teaching and differentiated learning are the key aspects and the need of the time, Human Values and Ethics, Humanity in Character and reality.

Peace and prosperity are my hopes for our great country.

The roadmap of progress will not be decided by the government alone but by the nation.

Viksit Bharat has to be built only through “Sabka Prayas”- Every one’s Efforts. When citizens, in whatever role, start doing their duty, the country moves forward.

The roadmap of progress will not be decided by the government alone but by the nation. “Every citizen of the country will have input and active participation in it”

### **India of My Dreams-**

India of my dreams should be a place where poor people get empowerment, face no poverty, do not starve, and get the proper roof to live.

### **Conclusion –**

Youth power is both the agent of change and also the beneficiaries of change.

The confidence, preparation and dedication of the students as well as the contributions of the families in maintaining the required discipline to accomplish the goal.

Viksit Bharat @2047 is the vision to make India a developed nation by 2047, the 100th year of independence. The vision encompasses various aspects of development, including economic growth, social progress, environmental sustainability, and good governance.
