### Review of related literature

**Sivaramakrishnan (1989)** prepared a case study on the life and sporting achievements of Indian cricketer Sunil Gavaskar. This study highlighted the significant contribution of explorer Sunil Gavaskar to Indian cricket. Sunil Gavaskar was born on July 10, 1949 in Bombay, India. Sunil Gavaskar was the opening batsman of the Indian cricket team. The researcher used interview techniques and opinion rating questions in the study to collect data. Research data were collected from personal interviews, journals, textbooks, research reports and published materials. From the information gathered in the research it is clear that Sunil Gavaskar as a player and captain has played an important role in taking Indian cricket to new heights.

**Sharma, C (1989)** conducted a case study on former Indian athlete and Coach Bhogeshwar Barua. Barua was born on September 3, 1940 in Sivasagar, Assam. Bogeshwar won the gold medal in the 1966 Asian Games. Bogeshwar then won a silver medal in the 4/400 m relay at the 1970 Asian Games for the second time. The researcher believes that such a study can be done on many other eminent sports personalities of India, who have made invaluable contribution to Indian sports. This research can connect the young generation of India with sports.

**Singh, J (2004)** prepared a case study on Padma Shri Milkha Singh International Athlete in 2004. Milkha Singh was a brilliant athlete, sports promoter and sports administrator of his time. The researcher met contemporary players, coaches, teachers, friends, family members,
